

HAMMER TIME WITH BUBBLE WRAP

You know what I love? I love helping my dad do stuff, especially when it requires tools. And one of my favorite tools is the hammer. Maybe I just like the noise, but it feels super cool to feel like I'm repairing something with a hammer.

TASK 3

So we can get used to using a hammer, we are going to start by hammering some bubble wrap, you know the stuff that gets used in packages to protect stuff?

Well if your parents can pin some to a safe surface, your job is to hammer every single one of those bubbles.

After that, if your parents feel that you really have the hang of it, maybe they can let you hammer a couple of nails in a piece of wood.
